American College of Healthcare Executives Regent Awards

Rick Henault Spirit Award

This award recognizes an ACHE member who is experienced in the healthcare field and has made significant contributions to the advancement of healthcare management excellence and the achievement of ACHE's goals and exemplifies the spirit of servitude and mentorship to early-, mid-, and long-term careerists alike. This recipient should have lengthy experience in his or her career and great involvement in professional and community activities.

-Greater than 20 years of healthcare leadership experience

-Member of the American College of Healthcare Executives for greater than 10 years

-Holds/Held a position within ACHE Chapter leadership

Senior Executive Award

This award recognizes an ACHE member who is experienced in the healthcare field and has made significant contributions to the advancement of healthcare management excellence and the achievement of ACHE's goals and standards.

-Greater than 15 years of healthcare leadership experience

-Member of the American College of Healthcare Executives for greater than 10 years

-Holds/Held a position within ACHE Chapter leadership

Middle Careerist (between 5- and 15-years' experience)

This award recognizes an ACHE member who is making contributions to the healthcare field. This recipient is actively engaged in their community, seeking opportunities to improve outcomes as they explore advancement and/or healthcare management excellence through commitment to their organization as well as ACHE's mission statement.

Early Careerist (Less than 5 years)

This award recognizes an ACHE member (membership less than 5 years) who is making contributions to the healthcare field. This award recognizes a new/up and coming leader that shows promise in advancing healthcare management excellence through commitment to ACHE's goals and standards.

Nurse Leader/Champion

This award recognizes a nursing leader (greater than 10 years) Member of American Organization of Nursing Leadership or member of the American College of Healthcare Executives. The ideal nominee shows a record of accomplishment for advancing the nursing profession and is recognized amongst peers as demonstrating outstanding leadership, quality of care, patient safety, and is actively engaging in performance improvement in their organization.

Physician Leader/Champion

This award recognizes a physician champion and active member of the American College of Healthcare Executives. The ideal nominee shows a record of accomplishment for advancing the medical profession and is recognized amongst peers as demonstrating outstanding leadership, quality of care, patient safety, and is actively engaging in performance improvement in their organization.

DEI Champion

This award recognizes a non-ACHE and/or an ACHE Member that demonstrates an ongoing commitment with dedicated resources and measurable outcomes to increase diversity within the program and the greater community. The ideal nominee maintains and advocates for policies/practices that support diversity at local, state, and national levels and values diversity and promoting cultural competency in transformative ways that impact individual/unit/organization/ divisions.
